## OUR HISTORY

FIX PRO SH.P.K started to operate in the Sausage Production & Processing Landscape since 2003. Its founder, Nesti Tarusha, started his activity on food flavouring in 1992 though. Gradually he became the exclusive distributor of international brands of spices, fragrances and additives throughout the region.

He got as well familiar with various sausage recipes. He fine-tuned, created and shared them accordingly to the well-known sausage entrepreneurship of the time.

After a decade of experience regarding the raw materials and the art of creating new recipes, Mr. Tarusha undertook a bold initiative: establishing "FIX in his hometown, Korça, in 2003.

At that time there were 4 other sausage companies which had consolidated their positions in this sector. It took a relatively short time for "FIX" to be ranked among the top 5 companies.

Unique recipes, the fragrances and the taste of a variety of FIX products were the strongest points, to be quickly absorbed by the market.

The application of the latest German technologies was the next step of innovation to be consolidated towards European standards of FIX.

An authentic concept of packaging was implemented. The brand got exponentially strengthened.

# THE FACTORY

4500 m<sup>2</sup>. European standards have been met to guarantee working conditions for a high quality product gained through a specialized production cycle.

The recent investment is very well received by the broad local community as it doesn't only foster its prouddness but it serves as a guarantee of meeting European Quality standards for "made in Albania" FIX products.

FIX PRO is already applying the CSB technological system of product traceability fueled by the software, hardware and the consultancy of the well-known German Company: CSB.

# FIX GROUP

FIX/ SI QËMOTI/ DELIKATESË/ TRESOR ART BOUTIQUE

# FIX DELIKATESĚ

As its name indicates it, "FIX Delikatese" is rather to associate one with the wonderful care in customer service. "FIX Delicacy" implies offering the best conditions needed to consume fresh and quality products.

A trained staff is always there willing and ready to consult on the variety of products: meat, sausages, dairy, wine, pasta, bread, etc. This store is already a success story both for delivering FIX products and as a synergy of other artisanal local production.

That is why we are looking forward to replicate this model elsewhere in the region. Innovation in production goes hand in hand with the innovation of the interior architecture of the store, as well with a great service as such.

You simply do not just go to buy sausages and/or other products in "FIX Delikatese".  
You go there for the unique experience too.

## "FIX SI QËMOTI" GRILL

The tradition of sausage "FIX" combined with the passion to offer a jewel to the Old Pazar of Korça in the food service and entertainment industry, brought the most unique restaurant and grill in this city , "Fix Si Qëmoti".

Already part of "FIX Group", the restaurant and grill "Fix Si Qëmoti" aims to extend its taste and uniqueness to other cities in Albania, thus disseminating the best culinary traditions and its unique recipes.

# TRESOR ART BOUTIQUE

Hotel "Tresor Art Boutique" part of "FIX Group", operates in the city of Korça since August 15, 2020. Located in the center of the city, "Tresor Art Boutique" brings the combination of antiquity with modern, unique and beautiful art.

The villa, built in 1933, is one of the rarest of its kind not only in the city of Korça but throughout Albania. It takes us back in time, to the time of the fascinating architectures of the Albanian aristocracy. The peculiarity is in the paintings 1936 murals by the Zografi family which have been very carefully restored. Located in the center, it offers high standard rooms, bar and restaurant service.
